For Your Information:

AGM 2026

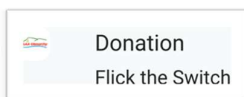

2025 AGM – Relaxed and supper provided.

The 2026 Annual General Meeting of SSAA Glenorchy Inc will be held at the AIF clubrooms on Monday 24th August at 7.30 pm. Reports from the President and Treasurer will be tabled, and new office bearers elected. Supper will be provided.

Anyone who is interested in nominating for a position and would like to come to a committee meeting in June, July or August should contact the Secretary.

Nomination forms are available at both ranges and from the website. The forms require a nominator, seconder and the written consent of the candidate with a brief description of the candidate's experience and reasons for seeking the position. The committee asks that nominations be lodged with the Secretary before the 15th June committee meeting.

The AGM is followed by a Special Meeting of the new committee to nominate SSAA Tas Inc State Council Meeting delegates.

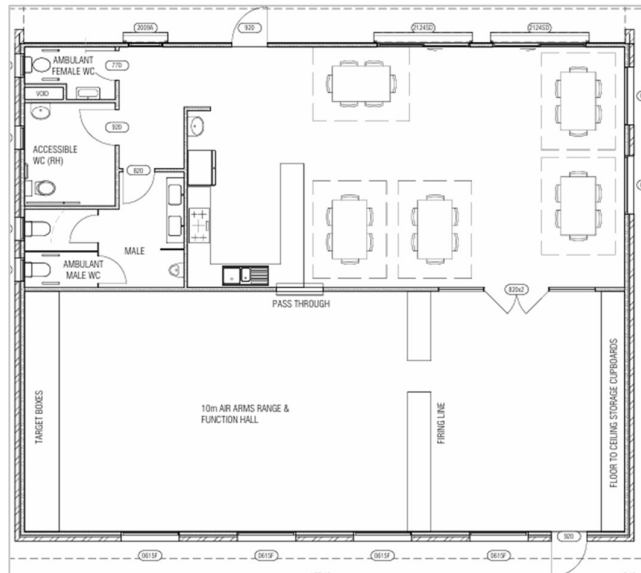

Keep up the good work! Over \$900 has been raised. Phyllis has placed laminated barcode cards at both ranges to make depositing easier or just bring your 10c recyclables to a range. Too Easy!

Mitchell Range Master Plan (MRMP)

Following the successful application for a grant of \$129,211 towards *Stage 1*, which includes new handgun ranges, power connection and shipping containers, Shane has been working tirelessly on coordinating various professional parties to finalise a Development Application (DA) for both *Stage 1* and future stages of the MRMP that include new clubrooms and a 100m range. The grant, together with a generous contribution of \$10,000 from SSAA Tasmania and a healthy club bank balance should allow for works to start on the project in 2026. Planning is already underway to connect power. The *MRMP Appeal* is still open and any donations from members and friends will help bring forward all components of the MRMP.

Proposed new clubrooms uphill from the pond flagpole.

Presentation Day

To avoid other Christmas commitments, this year's Presentation Day and Member's Lunch will be held on the **22nd November** and not the previous timeslot in early December. Hopefully more members and family will be free to attend and celebrate the achievements of our markspeople.

Working Bee - Sunday 30th August - 10 am

Please try to attend as there is always plenty to do. WB free shoot cards will be issued and free lunch and drinks provided.

On 31st May, five generous members attended the Working Bee resulting in:

AIF

- removal of brass and emerging sedge.

Mitchell

- cleaned admin block gutters.
- removal of debris and anchored timbers at the target line on the B Range.
- sorting of rubbish and re-usable items on Range A.
- new backing boards for Range C targets.

AIF Range News

Participation has been steady although increased fuel costs could have had an impact at both ranges. The fire extinguisher has been replaced, and an inspector has given the green light to fire safety and emergency protocols. Property officers from GCC also inspected the building and were pleased with what they saw.

Mitchell Range News

Participation has been steady with all four Saturdays seeming to be well patronised without any one of them having the spectacular highs of previous years. Tas Police personnel have recently completed a ten-week training block and have reacted positively to improvements on Range A. The range will only be open to members on the first Tuesday of the month – not every Tuesday.

Single Action Titles

Early notice that T03 will be hosting the 2026 Single Action State Titles on Saturday 28th and Sunday 29th November. See Ray for more details. Please note that Ray has kindly organised courses of fire so that members will have access to Range C for a few hours on the Saturday morning.

Holster Proficiency and IPSC Induction

Holster Proficiency - The next pre-test is on 4th July at 10 am and the actual test will be held on 18th July. Please see Craig or use the form on display at the Mitchell Range to register your interest.

IPSC Induction – 20th June at 12 noon. See Craig.

Housekeeping Reminders

- Have your licence, exemption or minors permit ready for display when signing in.
- Enter details clearly into range books as the information is transferred to computer.
- Detail ROs will sign participation cards.

- new backing boards for Range C targets.

AIF Range News

Participation has been steady although increased fuel costs could have had an impact at both ranges. The fire extinguisher has been replaced, and an inspector has given the green light to fire safety and emergency protocols. Property officers from GCC also inspected the building and were pleased with what they saw.

Mitchell Range News

Participation has been steady with all four Saturdays seeming to be well patronised without any one of them having the spectacular highs of previous years. Tas Police personnel have recently completed a ten-week training block and have reacted positively to improvements on Range A. The range will only be open to members on the first Tuesday of the month – not every Tuesday.

Single Action Titles

Early notice that T03 will be hosting the 2026 Single Action State Titles on Saturday 28th and Sunday 29th November. See Ray for more details. Please note that Ray has kindly organised courses of fire so that members will have access to Range C for a few hours on the Saturday morning.

Holster Proficiency and IPSC Induction

Luciano Pasa, Tom Banks, Grant Jackson, Michael Blackburn.

For Your Information:

AGM 2026

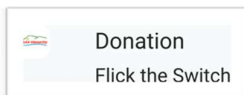

2025 AGM – Relaxed and supper provided.

The 2026 Annual General Meeting of SSAA Glenorchy Inc will be held at the AIF clubrooms on Monday 24th August at 7.30 pm. Reports from the President and Treasurer will be tabled, and new office bearers elected. Supper will be provided.

Anyone who is interested in nominating for a position and would like to come to a committee meeting in June, July or August should contact the Secretary.

Nomination forms are available at both ranges and from the website. The forms require a nominator, seconder and the written consent of the candidate with a brief description of the candidate's experience and reasons for seeking the position. The committee asks that nominations be lodged with the Secretary before the 15th June committee meeting.

The AGM is followed by a Special Meeting of the new committee to nominate SSAA Tas Inc State Council Meeting delegates.

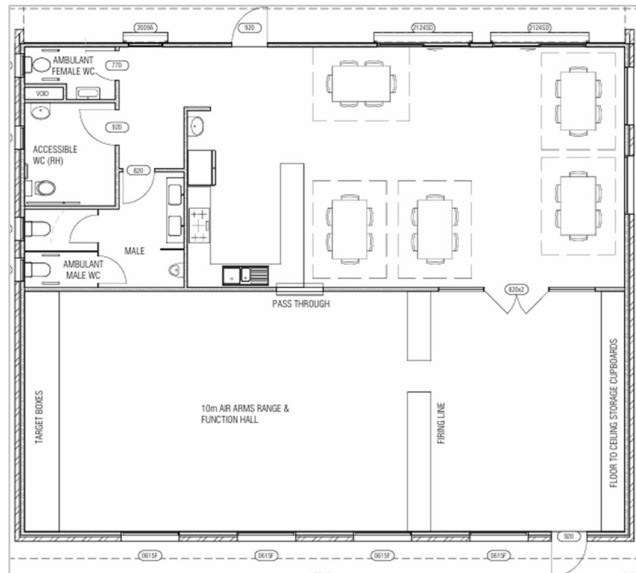

Keep up the good work! Over \$900 has been raised. Phyllis has placed laminated barcode cards at both ranges to make depositing easier or just bring your 10c recyclables to a range. Too Easy!

Mitchell Range Master Plan (MRMP)

Following the successful application for a grant of \$129,211 towards *Stage 1*, which includes new handgun ranges, power connection and shipping containers, Shane has been working tirelessly on coordinating various professional parties to finalise a Development Application (DA) for both *Stage 1* and future stages of the MRMP that include new clubrooms and a 100m range. The grant, together with a generous contribution of \$10,000 from SSAA Tasmania and a healthy club bank balance should allow for works to start on the project in 2026. Planning is already underway to connect power. The *MRMP Appeal* is still open and any donations from members and friends will help bring forward all components of the MRMP.

Proposed new clubrooms uphill from the pond flagpole.

Presentation Day

To avoid other Christmas commitments, this year's Presentation Day and Member's Lunch will be held on the **22nd November** and not the previous timeslot in early December. Hopefully more members and family will be free to attend and celebrate the achievements of our markspeople.

Working Bee - Sunday 30th August - 10 am

Please try to attend as there is always plenty to do. WB free shoot cards will be issued and free lunch and drinks provided.

On 31st May, five generous members attended the Working Bee resulting in:

AIF

- removal of brass and emerging sedge.

Mitchell

- cleaned admin block gutters.
- removal of debris and anchored timbers at the target line on the B Range.
- sorting of rubbish and re-usable items on Range A.
- new backing boards for Range C targets.
